Study & Discussion:

In this weeks message we talked finances. What motivates us when it comes to money? How to handle it in a way that is most effective, honours God and blesses others.

Read Matthew 6:19-27 together.

-From your vantage point what are some of the main points Jesus is making here?

Read Luke 14:28-30 together.

-What is the main context of these verses? How can we apply this when it comes to money management and debt?

Read Malachi 3:10

-What was the context that this was written in?

-Living within the context of the new covenant how is this verse not applicable to us in 2019? Is there an application for us here as New Testament Christians?

Application:

If you could change one area of your finances this year basing it upon biblical principles, what would it be?

Prayer:

1. Ask for individual prayer requests
2. Is there someone outside the group you would like prayer for?
